# Language Variety In The South Revisited

**chapter language and variation - forside** - chapter 7: language variation 4 map 1e main fulani of west africa are dark (blue) on the map. 7.2.2 dialect it is generally assumed that fula is a language, that is, a single language, with a number of dialects this sense, a dialect is regarded as a geographical variety of a language, spoken in a certain area, and being different in some linguistic items from **languages and language varieties: comparative research on ...** - languages and language varieties: comparative research on the linguistic attitudes in four bilingual minority communities in hungary anna borbely hungarian academy of sciences abstract. a central issue of this paper is to study the patterns in variation of attitudes toward minority language varieties in four **language varieties: pidgins and creoles** - just used as a contact language for communication purposes. it is claimed that the reason for pidginization might also be because of the power of the language when the speakers dominate the other language speakers economically and socially. sometimes the people use the expression 'reduced variety of a normal language'. **a neural approach to language variety translation - arxiv** - language variety translation system has been developed using nmt. the most similar study is the one by (costa-juss a et al., 2017) who developed a neural-based mt system to translate between catalan and spanish. the use of nmt to translate between language varieties is the main contribution of our work. **language variety in the south - lavis** - [the following is the pre-print version of the table of contents for the selection of revised essays from lavis iii that will be published by the university of alabama press, **language attitudes - university of wisconsin-madison** - language attitudes 1 language attitudes 2 what are language attitudes? 2 language attitudes are the feelings people have about their own language variety or the languages or language varieties of others. 3 what are language attitudes? 2 "women talk too much." 2 "children can't speak or write properly any more." 2 "in the appalachians ... **1 introduction: language variation - assets** - placed in language history. although we are far from understanding all the factors which hasten or restrain linguistic change (but see 3.3), it seems fairly certain that at some places and times change is more rapid than at other places and times; that is to say that in the history of a particular variety there will be changing rates of innovation. **dialect vs. language - linguistics** - dialect vs. language!! what is the difference between a dialect and a language?! from a linguistic point of view, these terms are problematic! they might have a particular meaning from a socio-political point of view!! a 'language' tends to be associated with a standard language, which is almost always written, and is almost always ...
